OUR FOUNDATION

Holy Family Hospital of Bethlehem Foundation, based in Washington, D.C., is a 501 (c)(3) not-for-profit organization with a mission to deliver life, peace, and hope in the Holy Land. As a primary work of the Order of Malta, the world's oldest Christian charity, we serve to further the Catholic values of preserving life, fostering peace, and giving hope to all those without a voice.

HOLY FAMILY HOSPITAL

Holy Family Hospital in Bethlehem, located just 1,500 steps from the birthplace of Christ, is our Foundation's primary program. This Catholic teaching hospital is a state-of-the-art maternity and neonatal critical care center serving poor and at-risk women, infants, and children throughout the West Bank of Palestine. In this region of conflict, the Hospital stands as a beacon of hope for impoverished families in the Bethlehem area, including surrounding desert villages and United Nations Refugee Camps. The Hospital and its Mobile Clinic have impacted more than one million lives since 1989. Embracing all who seek care, no one is ever turned away.

For each of the past two years, Holy Family Hospital has been faced with a 25% increase in demand across all lines of clinical services. Still, the need continues to grow.

A planned gift affords you considerable flexibility to ensure that your contribution speaks to your philanthropic passions and priorities. We want to make sure the legacy you create is something meaningful to you.

Here are a few easy ways to make your planned gift and become a member of The Three Kings Society:

Gift a percentage of your will or trust.

Gift a percentage of your appreciated securities or a percentage of common stock.

Gift a percentage of your life insurance.

Gift a percentage of your work benefits.

All gifts now and in perpetuity to Holy Family Hospital of Bethlehem Foundation are fully tax deductible. It is always advisable to consult with an experienced estate planning attorney about drafting a provision for your legacy giving.

Making a planned gift to Holy Family Hospital of Bethlehem Foundation was a straightforward initiative offering us a meaningful way to support the Hospital, a primary work of the Order of Malta and the Catholic Church, and one that we have supported for over 20 years. By making use of the Foundation's Three Kings Society, we were able to gift part of our estate and ensure for many years to come the Hospital's ability to save the lives of mothers and babies in the Holy Land."
